Who are the Theresians?

Mission Statement:

Theresians is a global ministry founded in the Catholic tradition. We welcome all women who desire to grow spiritually within a Christian community. Theresians pledge support by prayerfully nurturing, affirming, and empowering one another to become the women God intends them to be. By following the example of the missionary heart of our patroness St. Thérèse of Lisieux and living according to the five dimensions - Spirituality, Vocation, Education, Community and Ministry- we grow in Gospel values.

What do Theresians do?

Theresians gather in community once each month, usually in a member's home. During this time, we pray together and participate in programs that feed our souls and spirits. Programs are spiritually inspiring and intellectually challenging. Theresians believe in the ministry of presence to one another as women of a faith community.
